

KAT'S TIPS AND TRICKS

Practical Budgeting Tips

LEARN HOW TO MANAGE YOUR MONEY
AND SAVE WITH OUR SIMPLE TIPS!

01. Identify your spending priority

Ensure your financial resources are allocated in a way that aligns with your goals and values.

02. Have realistic goals

Jot down your purchase items, keep them in sight, and set deadlines to ensure continuous progress to get them.

03. Track your progress

Make sure to track your spending to help you identify and cut unnecessary expenses in your budget.

04. Create budget plan

Creating a budget plan can help you distribute your money, stay on track, and make informed decisions.
